7 UNITED STATES OF AMERICA,

Case No. 2:16-CR-378 JCM (CWH)

8 Plaintiff(s),

ORDER

9 v.

10 BRIAN C. FISHER,

11 Defendant(s).
12

13 Presently before the court is a motion by the United States to continue the sentencing
14 hearing of defendant Brian C. Fisher, which is currently set for Tuesday, September 26, 2017 at
15 10:30am. (ECF No. 87). The United States indicates that new, “exceptionally relevant
16 information” has surfaced that should be included in the presentence report and may impact the
17 court’s evaluation of the defendant for sentencing purposes, and therefore has requested a
18 continuance of no less than 60 days to allow for probation to update its report. *Id.* The defense
19 has not filed a response, but the government’s motion states, “Defense Counsel indicated that the
20 Defendant opposes any continuance of the sentencing date. Accordingly, Government Counsel is
21 forced to file this motion.” *Id.* at 3.

22 The court finds that the sentencing hearing must be continued, and that this request was
23 not made for the purpose of undue delay, but is instead made in good faith.
